

On a sunny (or rainy) **Saturday** morning,  
**December 11**, 31 checkpoints are set in  
beautiful and rugged hills... racers pore over  
how to get them all under a time limit...  
and then we gather you all up and tell you to...

# GET LOST!! IN HENRY COE

• Morgan Hill, California •

A **4- or 8-hour rogaine** on a new map:  
1:30,000, 10 m contours,  
made from lidar, orthophotos, and land survey.  
32 km straight-line to get all checkpoints.  
Be prepared for steep terrain.

**Field is limited to 100 racers!**  
Organized by **Get Lost!! Running, Racing**  
with help from BAOC and terraloco.

Registration and further info:
